PRELIMINARY AMENDMENT

Hon. Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

Please amend the pending claims in the above-identified patent application preliminary to an examination thereof as follows:

In The Claims:

Please amend claim 17 as follows:

17. Apparatus for uniformly tempering a glass sheet comprising: opposing upper and lower spaced apart quench tubes; means for moving the quench tubes to generally conform to the glass sheet; means connected to said movable quench tubes for movably engaging the glass sheets; and means to supply quenching gas through the quench tubes to uniformly temper a glass sheet therebetween.
